March 13, 2022

Dear Parishioner:

St. Raymond's is happy to announce the **2022-2023 High School Scholarships**.

The purpose of the St. Raymond Maronite Cathedral Scholarship is to assist qualified students to attend Catholic High Schools. This education will hopefully help strengthen the spirituality of the student as well as his or her religious and moral values.

This year we anticipate the awarding of a limited number of scholarships at \$1,000.00 per individual. Students entering or currently attending a Catholic High School are eligible.

**Applicants must be: A) Members of St. Raymond Cathedral who regularly attend, participate and support the parish. B) Parish involvement is a priority of scholarship selection. C) Students must demonstrate financial need. D) Incoming freshmen must have acceptance to a Catholic High School. E) Students applying to the tenth, eleventh, and twelfth grades must meet criteria "A", "B", "C", and demonstrate at least a "C" average.**

**Applications are available on March 13, 2022 and must be completed and returned no later than May 9, 2022. Applications received after the May 9, 2022 deadline will not be considered by the committee.**
